

Multidisciplinary Approaches in Language Policy and Planning Conference 2015

September 3-5, 2015 University of Calgary

Conference Website: www.educ.ucalgary.ca/lpp

Plenary Speakers:

Suresh Canagarajah
(Pennsylvania State University)

Jim Tollefson
(The University of Hong Kong)

Lionel Wee
(National University of Singapore)

We invite papers and colloquia that approach language policy from a variety of theoretical and methodological perspectives, and in a variety of contexts, from the local/institutional to national/global. We invite abstracts (300 words maximum) for submissions in any of the following areas:

- Language policy and political theory
- Official language policies
- Language policy and lingua franca
- Heritage language policies
- Language policy and globalization
- Ideologies and language policies
- Language policies in school settings
- National identities and language policies
- Language policy and the economics of the workplace
- Non-official languages in mainstream classrooms
- Language policies and social mobility
- Language attrition, language revitalization and language policies
- Language policies and transnational communities

The deadline for submissions is **February 28, 2015**.

For more information, please visit www.educ.ucalgary.ca/lpp or contact us by e-mail: lpp@ucalgary.ca

We look forward to seeing you in Calgary in September 2015.
